

News: Spotlight on St. Ambrose Catholic School

ST. AMBROSE
CATHOLIC SCHOOL

At last year's Steps for Students, the St. Ambrose Hornets donned bright green t-shirts, and it didn't take long for onlookers to dub the team, the Green Hornets. That was last year. This year, the team from St. Ambrose is bringing a whole clan of Superheroes. Ten local firefighters representing eight local stations are volunteering to lead the cause for St. Ambrose.

The St. Ambrose Superheroes are not only volunteering their time as participants, but have also set up a donation site online to raise funds at

<http://www.firstgiving.com/superheroteam>. The Superheroes have set a goal of raising \$10,000 as part of the larger team goal.

"This is a great opportunity for St. Ambrose," says School Principal Judy Fritsch. "Many people might not realize it, but virtually all of the funds we raise go back to the school in the form of improvements." Last year, funds from Steps for Students were used to improve both facilities and technology in the school including outfitting classrooms with LCD projectors and smart boards.
