- Stay for the Experience:**
 - Each day you will also *play, pray, and gain*. You will *play* though daily camp activities. You will *pray* through Mass and various prayer services. You will *gain* a deeper understanding of Catholic Social Teaching.
- Leave Ready to Change the World:**
 - Unlike other camps and retreats the purpose of WITNESS is to send you home with a faith that is more than a feeling. You will be equipped with the skills to be a missionary disciple to your family, friends, church, and community.
