ST. DOMINIC DEAF RELIGIOUS EDUCATION FOR OUR CHILDREN

Our program consists of deaf teachers for deaf children. The class is conducted in sign language with a heavy emphasis on visual presentations. Classes are small in size, and so the teacher is able to be sure the child understands fully the lessons.

Classes are held for: **First Confession, First Communion, and Confirmation.**
Classes: Twice a month Sundays 9:30 am

After class, the children and their families attend Mass with the entire community. It is important for children to see successful, fully participating deaf adults, to give them role models.

It is also beneficial for the parents!
