

**2020 National Evangelization Team (NET)
Retreat Request Form
Archdiocese of Galveston-Houston**

NET is in our Archdiocese for such a short time and we want to maximize their effect on our youth. In addition to individual parishes and schools scheduling the team, we also want to encourage deaneries or clusters of parishes willing to share a NET experience to schedule the team. Many of the weekdays are generally free for the team; therefore, Catholic schools may wish to book NET for the junior high and/or high school youth.

NET will be available for retreats **January 11 – February 1, 2020**. Scheduling will ONLY be done on a first come-first served basis; however, geography will also determine priority, meaning that we will fill requests to avoid extensive travel for NET, and to make sure that they cover the entire area of the Archdiocese. Once all requests have been processed, you will receive a letter regarding your retreat status. **Previous scheduling of NET does not guarantee scheduling for 2020.**

Some things you need to know about hosting NET: (LOOK OVER CAREFULLY) Please note that travel time may affect a retreat start time. No retreats can start before 9:00 a.m. and must end by 9:30 p.m.

- The host supplies the retreat facility.
- Retreats are scheduled as either Junior High Youth (6-8) or High School Youth. **Junior High and High School(s) may not be combined for a single retreat.**
- The cost associated with NET day retreats is 2-12 hours (\$750.00).
- The maximum capacity per retreat is 150 youth.**
- The parish/school provide housing and meals in the form of host families for the NET team (usually 10-12 young adults). *If scheduled for the first retreat in the Archdiocese, the host parish will also provide accommodations and meals for the night before.*
- The host provides all the advertisement for the event. You will be responsible for making sure youth attend the retreat.
- Once booked, the host will be held responsible for accommodations, meals and full payment, even if the retreat is cancelled, unless another host can be found to take its place.**

For more information, please contact Dunn Estacio at (713)741-8723.
