Background: Christ the Redeemer is a parish of 6,500 families located in Cypress, TX, a northwest suburb of Houston. Our parish, as part of the Archdiocese of Galveston-Houston, is composed of a broad mix of socioeconomic levels. The parish has grown greatly in the past decade; youth ministry has been enthusiastically developed to accommodate growth. We see anywhere from 400-500 high school students at our weekly youth group meetings called Encounter with the help of fifty adults. This person will be working as well with our middle school program, Rise, which serves 300-350 middle school students weekly with a team of twenty-five adults and high school student. With such a large program, ministry is not just to the students, but to the Core team as well as the parents and families. We want someone who can work with a team to creatively and energetically grow a youth ministry program, form intentional disciples, and present the faith in a way that is innovative, dynamic, orthodox, and relevant to young people. This program is young and the youth ministry culture is still being formed, which calls for excellent communication, great sense of humor, good leadership skills, and a team mentality.

Qualifications: Bachelor's degree in Youth Ministry, Theology, Catechetics, or Religious Education. Candidate must be an active Catholic in good standing who is able to use their energy, joy, humor, charisma, and creative problem solving skills to manage multiple projects. A prayer and Spirit led individual who desires to seek the Lord's will for our parish and this ministry. This position is currently open and reports to Director of Youth Evangelization and Catechesis.
