

Instructor/Summer Programming Team Member, School of Environmental Education (S.E.E.) at Camp Kappe, Plantersville, Texas

The Archdiocese of Galveston-Houston, led by Daniel Cardinal DiNardo, is a multicultural Church with active members from every continent of the world. We pray and celebrate in over 14 languages in 146 parishes and we participate in activities of social justice, support the good works of persons in other countries, prepare our children and young people to be responsible members of the community — and we do all this in the name of our Lord, Jesus Christ. Today, more than 1.7 million Catholics live within the boundaries of the Archdiocese of Galveston-Houston, making it the diocese with the largest Catholic population in the state of Texas and the 12th largest in the United States.

Summary

The Archdiocese of Galveston-Houston is seeking eligible candidates for the position of Instructor/Summer Programming Team Member, School of Environmental Education (S.E.E.) at Camp Kappe Retreat Facility in Plantersville, Texas. This position reports directly to the S.E.E. Director and provides instructional leadership and learning activities in environmental and conservation education; assists with the pre and post-session planning; assists in the planning and activities of in-session training programs; uses effective assessment devices for all students and works with visiting staff, parents and chaperones. With the Executive Director of Camp Kappe, S.E.E. Director and staff, plan and initiate a summer enrichment camp experience for middle school children (Grades 5-8).

Education/Experience Requirements

Qualified candidates must possess a Bachelor's Degree in Education or a science related field. The possession of Texas State education certification is a plus. If the degree is not in education, the candidate must have at least 12 hours of education credits. The ideal candidate should also have a minor in one or more of the following: Biology, Life Science, Environmental Education, Natural Resources, Wild Life Management, Forestry, or outdoor education experience. Consideration will be given to candidates with background in a regular classroom, outdoor education, and camp experience as well as course work or experience in child development, learning theory, environmental education and individualized instruction. Please note that classroom instruction and activities are primarily outdoors in a various weather conditions and include hiking and other outdoor recreational activities.

Suitable candidates should submit a cover letter with resume, and requested salary range via email to resume@archgh.org Please put *Instructor at Camp Kappe School of Environment Education* on subject line.

Applicants who do not included requested salary range, may not receive further review.
