

## Annual Calendar-YACM Office 2024-25

The Office of Young Adult & Campus Ministry in the Archdiocese of Galveston-Houston seeks to provide a home for all young adults within the Catholic Church in their late teens, 20s, and 30s. One of 60-plus ministries supported by the Diocesan Services Fund (DSF), it currently serves approximately 7,000 young adults (in English and Spanish) through programs and services provided at five college campuses and more than 60 parishes across the Archdiocese.

The office seeks to bring a Catholic presence to the colleges and universities located within the archdiocese. Through Catholic Newman Centers, we seek to create environments where Catholic students can find community, encounter Christ in prayer, and be formed as disciples of Jesus. We also seek to evangelize the entire academic community and invite others into the joy, fulfillment, and truth of living the Gospel. Catholic Campus Ministry is staffed at the following universities: University of Houston-Main Campus, Rice University, Texas Southern University, Sam Houston State University, and the Galveston Newman Center that serves 4 colleges on/near Galveston Island.
