

CALVARY CEMETERY

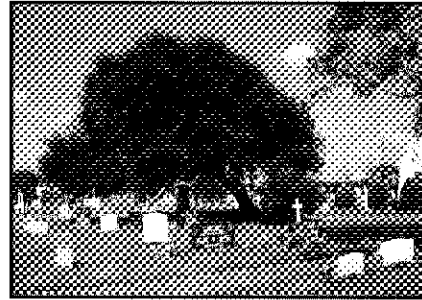

The Catholic Cemeteries are part of the ministry of the Catholic Church. Through the church, the Body of Christ, we are touched with mercy, love, grace and goodness from "the womb to the tomb." Our bodies are temples of the Holy Spirit, baptized with water, anointed with oil, nourished with the Body and Blood of the Lord and touched with healing and with love. The Catholic Cemeteries honors the Christian principle that we should always treat human beings and their mortal remains with respect, dignity and honor.

In a climate of spirituality, prayer and liturgy, the Catholic Cemeteries offer beautiful resting places that remind us of a life beyond death, a life everlasting in the arms of the Lord. We offer a sacred and holy cemetery to all who seek a place of Christian burial.

Consecrated in 1882, Calvary Cemetery has served the faithful families of the island for generations. Conveniently located on 65th street, Calvary Cemetery offers a heritage unmatched by any other Galveston County cemetery. Offering scenic views of the bayou, Calvary serves the needs of those who wish to remain on the beloved island on which they have lived.

At Calvary Cemetery we believe that by planning in advance of need you can consider the many options available to you calmly and thoughtfully, without the stress of grief. We also understand that many families postpone making these decisions because of the financial commitment involved. With this in mind, the Catholic Cemeteries have designed a program that offers installment payments of up to five years at zero financing. We believe this enables everyone to make these very important decisions while working within their family budget. Additionally, by making these decisions now, rather than later, you can protect yourself and your family from yearly inflationary price increases.

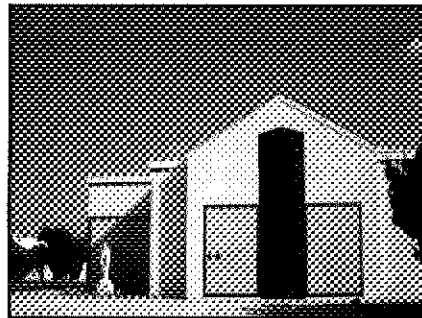

From the earliest days of Christianity burial places were set aside, considered sacred and honored. This tradition is based on our belief in the Resurrection of Jesus, and, that those who have died with him in faith will rise again in hope.

Whether you are seeking a single grave space or multiple spaces, Calvary offers both Upright Monument privilege spaces and Lawn Level Marker privilege spaces for those who desire traditional earth burial.

Calvary's Mausoleum offers a stately alternative for those who seek above ground interment. Our mausoleum complex offers both single and double crypts. Mausoleum crypts are available for every family's budget.
